

PRODUCT SPECIFICATION

| | |
|---------------------------------|---|
| Product Name: | Anchoid |
| Chemical Identification: | Neutral salt of the naphthalene sulphonic acid condensate |
| Appearance: | Brown powder |

| Characteristics | Specifications | Test Method |
|-------------------------------------|-----------------------|--------------------|
| Value of pH, 10 % in Water | 6.000 – 8.000 | 151202 |
| % Moisture/Volatile Content (105°C) | 3.000 – 5.000 | 151504 |
| Appearance, (1=pass) | 1.000 | 152201 |
| % Sulphate Inorganic Content | 18.000 – 20.000 | 090701 |

Issue Date: 18/05/2011
Issue Number: 01
Product Specification No: Anchoid
